Layer your two 6 x 6 pieces of designer series paper together and use this template to cut.

These two cards will each use two of the 2" x 4" strips. Score a 10" x 4-1/4" base card at 2-1/4" and 7-3/4". Fold both ends in.

The last two 2" x 4" strips will be used like this. Two of the 1-1/2" x 2" strips are used on the sides of these cards as well to provide some contrast. The white pieces are also 2" x 4" so the same size as the Designer Series Paper.

The rest of the strips (minus one which can be used on the inside of one of the cards) are used on this card. Layer the 1/2" strips on a 4-1/4" x 3" piece of cardstock. Attach them working from the two outside pieces and ending with the middle strip.
