1. Take an 11" x 11" square of Designer Series Paper and fold in half to make a triangle shape.
2. Score at 4-1/4" from the fold line.
3. Turn 90 degrees and score at 3-1/4" and 5-1/2". Do the same on the other side.

4. Cut out the triangles where the two scored lines intersect so it looks like the photo.

5. Fold over one of the side and open the triangle on the edge of the paper. Turn that into a square.

Do the same with the other side.

Tuck the top front flap into the square and fold the other flap down in the back.
