1. Score @ 1" along each side of the square piece of paper. Cut in at one of the fold lines in each corner.

2. Add adhesive and close up the box corners.

3. Add adhesive along the edge of the long side of the other piece of Designer Series Paper. Attach that around the sides of the box.

4. Add adhesive alongside to close up the bag.

5. Pinch together the middle of the top of the bag to create this pretty shape.
