

# Easy Apple Builder Punch Cards

## Project Sheet

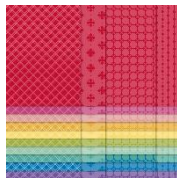

### Supply List:

Apple Builder  
Punch

Harvest Hellos

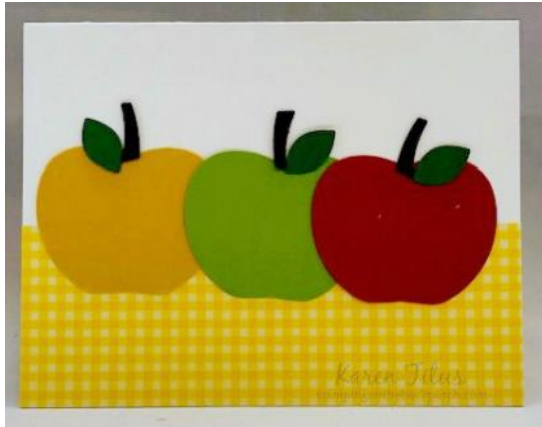

Brights DSP

Wiggle Worm

[Click here to shop my online store!](#)

The tablecloth is from the 6 x 6 Brights Designer Series Paper.

Punch out a few apples, fold them in half and glue together to make this sweet little stand up apple!

Punch one of the apples out of white cardstock and that will give you a place to write a message!

The same method is used here – but attached to the inside of the card to make a fun surprise when the card is opened!
