## Directions:

1. Cut your cardstock to 4-1/4" x 11". Score @ 5-1/2" and fold.
  2. Cut the card front 1" from the fold line. From the cut-off piece, cut off another 1" strip.
  3. Cut two pieces of Designer Series Paper 4" x 3/4" and attach to the 1" pieces.
  4. Add a 5-1/4" x 4" piece of cardstock to the card center. If a third layer is desired, add a 5" x 3-3/4" layer.
  5. Use the stamparatus for perfectly lined up sentiments along the sides.
  6. Lay the 1" separate place on the lower part of the card front.
  7. Add adhesive just to the very top and bottom of the die cuts and add to the card front.
- *On the moose card an one of the stocking cards, the 1" measurement was changed to 1-1/4" to give more room for the dies to attach. (For those, change the 2 designer series papers to 4" x 1")*
