Stamping on the Back Porch

1. Start with randomly stamping an entire 8-1/2" x 11" piece of Very Vanilla cardstock using Crushed Curry, Old Olive, and Cajun Craze Ink Pads.

2. Cut the cardstock in half the long way at 4-1/4". Then cut each half into three 3-1/2" pieces. (You will get six cards out of each sheet.)

3. Tear off part of the bottom. (Save this piece for the card inside.) Attach the stamped piece to a 3-3/4" x 4-1/4" piece of Old Olive cardstock.

4. Tear the Old Olive cardstock as well.

5. Tie twine around this piece before attaching it to the base card. (The base card is a 4" x 5-1/4" piece of Designer Series Paper layered on a 5-1/2" x 8-1/2" piece of cardstock which has been folded in half.)
