1. Cut 1-3/4" off the bottom on your paper. Cut the rest in half so your paper looks like the photo above.

2. Next, take on of the stacks of 3" x 4-1/4" paper and cut it to look like this.

3. Lay out some 5" x 3-3/4" pieces of Basic White Cardstock and start arranging the pieces like this.

4. Choose coordinating base cards to layer these on. The one on the right has an added 4" x 5-1/4" layer added.
