1. Start with a 12" x 12" piece of Designer Series Paper of your choice.
2. Cut two 1" strips off of one end, leaving the main piece measuring 10" x 12".
3. Rotate that piece 90 degrees and cut at 8". Your pieces will look like this.

The 10" x 8" piece will make the tote bag.
Score along the 10" side at 4" and 6".

Cut 1-1/2" from the edge along each
score line.

Add adhesive along one of the 4" sides and
attach it to the other side like this. Repeat
with the other side. Use the two 1" strips to
make the handles.
