Start with four Scalloped Note Cards with Envelopes. Insert the cards into the envelopes with the pretty scalloped edges showing. This makes it easy to slip gift cards or other gifts in each one.

On three of the envelopes, attach Tear 'N Tape or other strong adhesive.

Tear off the adhesive and attach that flap right under the bottom of one of the other envelopes.

Repeat, leaving the top envelope being the one without adhesive.

Fold up in an accordian fold, wrap a ribbon around it and decorate.
