Stamping on the Back Porch

karentitus.com

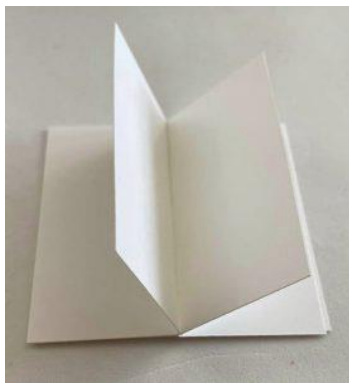

stampingtonthebackporch@gmail.com

The supplies you will need are a piece of cardstock 5-1/2" x 8-1/2" with two 5-1/4" x 1-7/8" strips of Designer Series Paper.

Score the large piece of cardstock at 2-1/8" on each side and fold to meet in the middle. (This fold makes a traditional gate fold card.)

For the slider, cut four 3" squares of white cardstock.

Fold two of the white squares in half and attach to the one of the other squares spine to spine as shown here.

Finish with a 3-1/4" square layer or a 3-1/2" layer ... or both!

Slide this slider over your card front, making sure the edges of the gate fold card fit right inside of this.
