1. Score the large piece of cardstock at 2 1/2" and again at 5 1/2".

2. Fold inward on the two score lines. Use a circle punch to create a notch for the gift card and attach the short part of the card stock at the top and the bottom with Tear 'n Tape.

3. Add the Whisper White piece to the inside and attach the 1" piece of the Designer Series Paper. Layer the other piece of DSP on the smaller Whisper White cardstock and attach the ribbon around it.
