1. Cut out a 4 1/4" square from a piece of Designer Series Paper. Score at 1", 2", 3" & 4".

2. Turn and score at 1".

3. To create the bottom, you want to cut on the score lines to the 1" mark. Then just fold the paper with Tear & Tape.

4. Squeeze the top and add a binder clip to hold it closed and decorate with a glimmer paper oval and a little bunny.

1. Ink one side of the Basket Weave folder with Crumb Cake Ink before running through the Big Shot.

2. My paper is 3 1/4" and then scored it at 1 1/4" on all 4 sides. When you cut along the score line on two sides, you'll be able to fold it into a basket shape. You can make these in any size depending on how much you want to put in them.

3. Add a handle and a bunny and fill the basket with goodies.
