1. Start with three pieces of 5" x 3-3/4" Designer Series Paper.
2. Stack the three papers and cut through all at the same time at an angle.
3. Make another cut like this so you have three separate piles.
4. Now for the shuffle. Leave one pile as is. Remove the top piece of the second pile and put it on the bottom. Remove two pieces from the third and put those on the bottom.

Now you will have three separate patterns for each card.

Cut three 5" x 3-3/4" pieces of white cardstock. Take one at a time and attach the three pieces of Designer Series Paper.

Add these to the card bases.
