1. Start with a card front and choose an 8-1/2" x 11" piece of card stock to coordinate with it. Score the cardstock at 2", then turn and score at 5-1/2".

2. Fold the cardstock on the 5-1/2" line and trim the 2" part like this:

3. Attach the card front to the front of the folder.

4. Lay a scrap piece of cardstock along the right edge and punch a hole about midway up the side – doesn't need to be exact. Flip the scrap piece over and lay it along the left side and use the hole as a guide.

5. Weave your ribbon or twine through the holes
