# Stamping on the Back Porch

karentitus.com

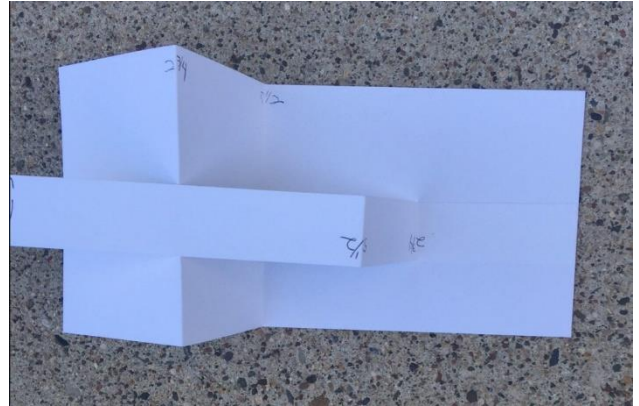

stampingtonthebackporch@gmail.com

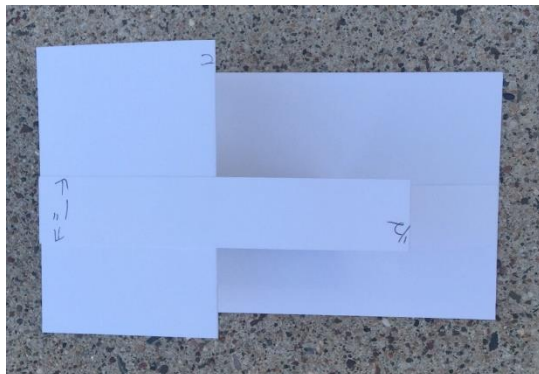

1. Cut two pieces of cardstock, one  $4 \frac{1}{4}'' \times 11''$  and the other  $1'' \times 11''$ . Score each at  $5 \frac{1}{2}''$  and  $2 \frac{3}{4}''$ .

2. Now, just flip the  $1''$  piece 180 degrees and you have the layout!

3. Attach the  $2 \frac{3}{4}''$  part of the  $1''$  cardstock to the middle of the main card and the long end to the front of the card. (If you don't want the edge of the long piece to show on the front, just tear off a piece.)

4. Then assemble the rest of the card.

The two striped pieces from By the Shore Designer Series Paper measure  $4'' \times 2 \frac{1}{2}''$ .

The motorcycle is stamped on a piece of  $3 \frac{1}{2}'' \times 2 \frac{1}{2}''$  Whisper White Card Stock which is layered on a piece of  $3 \frac{3}{4}'' \times 2 \frac{3}{4}''$  Dapper Denim.
