1. Stamp an entire sheet of 11" x 8 1/2" Whisper White Card Stock with the Painted Harvest stamp set.
2. After stamping the entire sheet, I cut it in half at 5 1/2" and then each half was cut into 1 1/4" strips. That made 7 strips for each half – with the seventh strip a bit narrower.
3. Then, using card stock in the same four colors, add two strips of color behind each stamped strip and layer on the card base.
4. Finally, stamp the sentiment in Early Espresso on Whisper White Card Stock and cut it out using a circle in the Stitched Shapes Framelits. Layer that on a larger circle and add to the card.
