1. Start with 12" x 8 1/2" piece of Designer Series Paper.

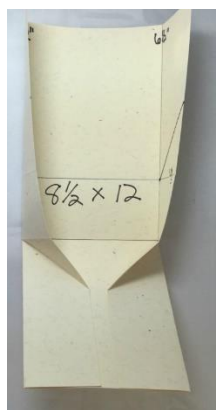

With the 8 1/2" on the top of the Simply Scored, score at 2" in on each side. (So, score at 2" and 6 1/2")

2. Turn your paper so the 12" in along the top. The base of the box will be 2" wide ... so, since 6" would mark the middle, score at 1" on each side. (So, score at 5" and 7")

3. Next, you will mark 2" in from the 5" and 2" out from the 7" (So, make a small mark at 3" and 9"). You will score from those points as see in the picture below.

4. Fold on all lines and add Tear & Tape along the four sides as shown in this photo.

Assemble.
