Stamping on the Back Porch

karentitus.com

stampingonthebackporch@gmail.com

1. Fold the square in half like this.

2. Next, fold the top corner down to touch the bottom of the paper.

3. Using that fold line as a guide, fold both sides of the paper right under that first fold.

4. When you fold the top back down and add a little gift, the bag will stay sturdy with no adhesive!
