# Stamping on the Back Porch

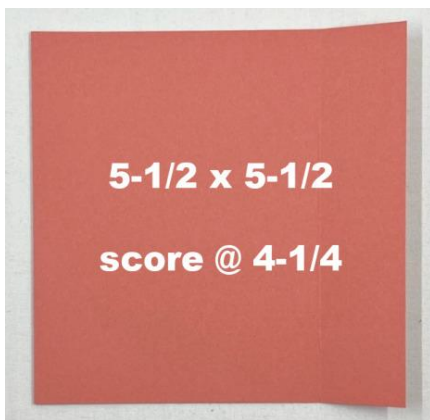

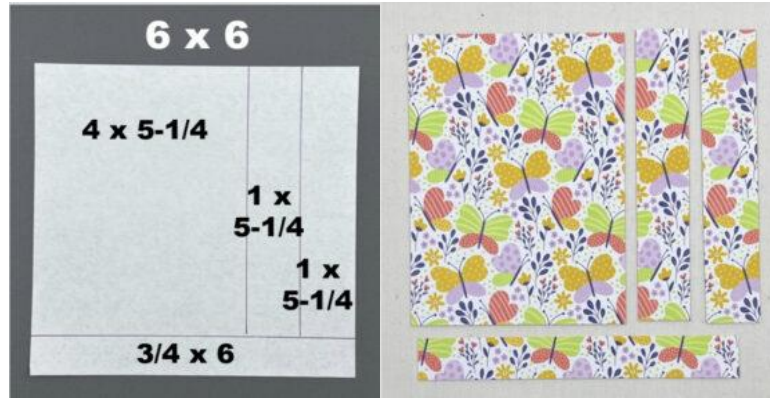

karentitus.com

stampingtonthebackporch@gmail.com

Start with a 6" square of Designer Series Paper and cut it like this.

The base card is a 5-1/2" square piece of cardstock scored at 4-1/4.

Add the larger piece of patterned paper right under narrow fold so that the card opens like this. Add the two 1" strips to the front and the inside.
