Start with scoring the 11" x 5-1/2" piece of cardstock at 3-3/8" from each side.

Measure and mark 1-1/2" down from the top of the cardstock at each end and 1" in at the bottom from each end.

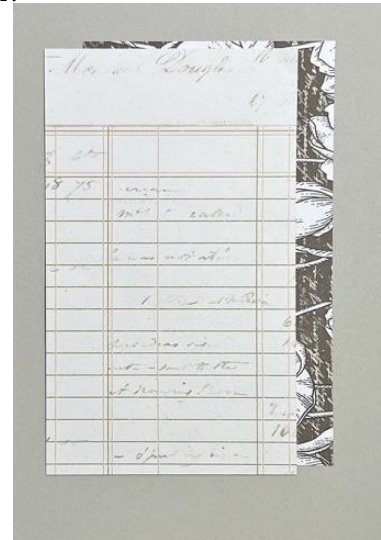

Connect those marks as shown in the pattern and cut. Your card base is complete.

Now for the layers.

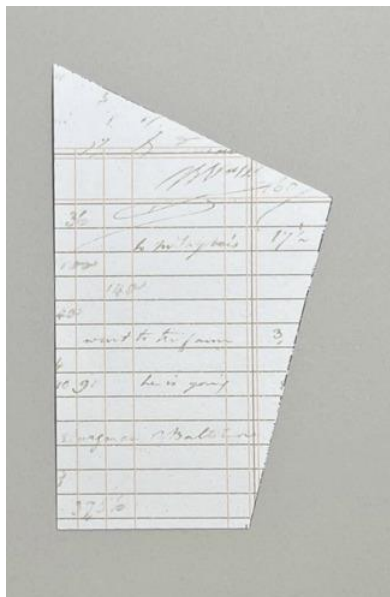

Choose two coordinating pieces of 3-1/8" x 5-1/4" Designer Series Paper.

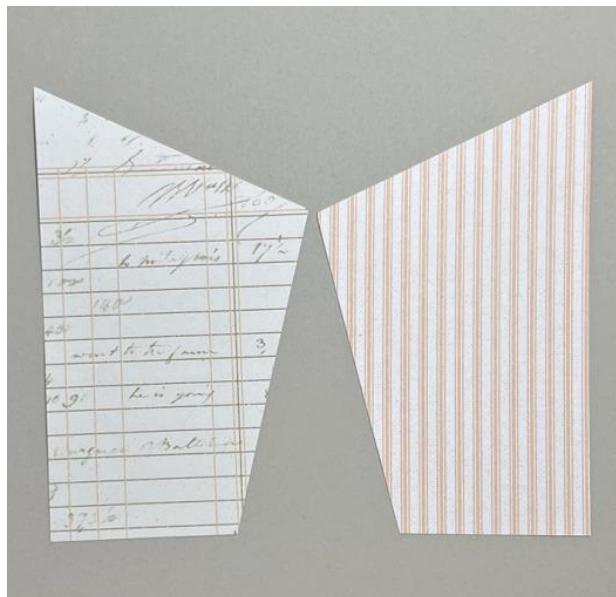

Lay one of top of the other, putting the two patterns you want to show facing each other in the middle or with each facing outward. This will make sure that your two patterns will fit on the two different flaps

Mark the 1-1/2" and the 1" spots on the top piece and use this as your cutting guide.

When you pull the two pieces apart, notice that they will fit the card front flaps.

Attach these flaps to the card base and add the 4" x 5-1/4" piece of white to the card inside.

Tie a ribbon around the card base and add the flowers accent.
