Supplies:

1. Add adhesive to the narrow fold at the top of the card front and to the 4-1/4" x 3" coordinating piece of cardstock. (Be sure to leave a 1/4" border around all sides with no adhesive.)
2. Line up the smaller piece of cardstock, adhesive side up, right along the bottom of the card front.
3. Lay the adhesive sheet directly over both, centering it.

4. Attach the two smaller pieces of patterned paper over the adhesive sheet as shown.
5. Stamp your sentiment on the white piece of cardstock so that it shows through the window and attach to the card.
