

Accordion Pop-Up Card Project Sheet

This is all you need to make this basic fun fold card. The 6" x 3-1/2" piece of Designer Series Paper is scored @ 1", 2", 3" 4" and 5". Fold it accordion style.

Turn the patterned paper over and attach adhesive to both of the folds along the outside edges like this.

Attach one edge to the inside of the card like this.

Fold the card closed to attach the other side.

Add some accents such as the birds or fish
so they stand up on the accordion fold.
