stampingonthebackporch@gmail.com

HOW TO MAKE A POP UP SHADOW BOX CARD (3-1/2" x 5-1/2")

1. Score a $10-1/2" \times 5-1/2"$ piece of cardstock @ 3-1/2", 6-1/2", 7" and 10". Fold along score lines to make a box shape.

- 2. Use a punch or die to make the window in the first panel of the cardstock.
- 3. Add Tear & Tape (or other adhesive) along the 1/2" flap on the side of the card.

4. Fold the card flat with the 1/2'' flap lined up along the 3-1/2'' score line.

5. Fold the card front over.

6. Open the card to find this!

Use the same punch to cut a coordinating piece of cardstock to decorate and fit in the window opening or attach a $3-1/2" \times 5-1/4"$ piece of Designer Series Paper under the opening.

All of the fronts of these cards were done by layering a $3'' \times 5''$ piece of Designer Series Paper on a $3-1/4'' \times 5-1/4''$ piece of coordinating cardstock before attaching to the front of the cards.

HOW TO MAKE A LARGER SIZE POP UP DIORAMA CARD

This card when closed will measure $4'' \times 5-1/2''$.

The base card uses a $12'' \times 5-1/2''$ piece of cardstock scored @ 4'', 7-1/2'', 8'', and 11-1/2''. Everything else stays the same.

For the card front, layer a $3-1/2'' \times 5''$ piece of Designer Series Paper on a $3-3/4'' \times 5-1/4''$ piece of coordinating cardstock before attaching.
