

Quick and Easy Cards starting with 3x3 Papers Project Sheet

Supplies:

Take any 3" square of Designer Series Paper and cut it into three 1" strips.

Attach this to the basic white cardstock leaving room for your sentiment.

After adding your sentiment, layer this on the colored cardstock and then on the card front. How easy is that?

6 X 6 ONE SHEET WONDER

This is a great layout for a 6" x 6" One Sheet Wonder. Cut one piece into four 3" squares and you will be making four cards in no time!
