

Stunning Card from Scrap Papers

Project Sheet

Supplies:

Cut the 3-1/2" square into strips - the first one 1/2", the next 3/4", the next 1". This will leave a 1-1/4" strip.

Arrange the strips on the 3" x 4-1/4" piece of coordinating cardstock. Use dimensionals to pop this piece up on the main card.

If desired, add an additional 4" x 5-1/4" piece of cardstock to the card base before attaching the accent piece.
