

Project Sheet: Simple Card Layout with Many Card Ideas!

The main design I'm working with today features a simple yet striking element: a cut-off circle. I'm using a 3-inch circle here, but you could easily substitute a square or any shape you love. It's a flexible layout meant to spark creativity — not limit it!

Supplies:

Card Base :: 5-1/2" x 8-1/2"

Coordinating Cardstock :: 4" x 5-1/4"

Coordinating Cardstock :: 3/4" x 4"

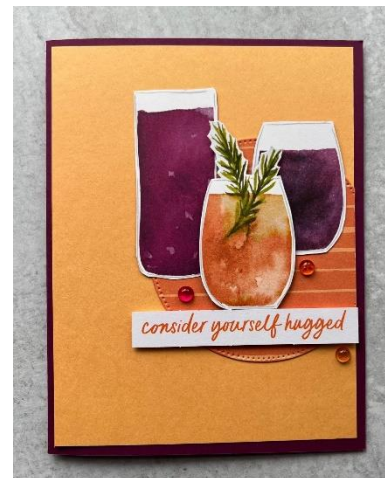

3" circle

Instructions:

1. Adhere the 3" circle piece on the side of 4" x 5-1/4" piece of coordinating cardstock – cut off the excess and adhere on the card front.
2. Adhere your sentiment on the 3/4" strip and adhere on the card front.
3. Finish off with accent and embellishments.
