

## Project Sheet: Double Flap Fun Fold Card

If you love interactive cards, you're going to have a blast with this Double Flap Fun Fold! This card design opens in two directions, giving you double the fun and double the space. This layout features two panels that open separately, giving you extra space to showcase your Designer Series Papers and add your sentiment inside.

### Supplies:

Card Base :: 4-1/4" x 5-1/2"

Cardstock :: 2-3/4" x 3-3/4"

Cardstock :: 5" x 3-1/2"

DSP :: 6" x 5-1/4", 2-1/4" x 3-1/4"

Basic White :: 2-1/4" x 3-1/4"

### Instructions:

1. Score the 6" x 5-1/4" DSP piece at 2" and fold. Adhere this on the 4-1/4" x 5-1/2" card base.
2. For the smaller flap card, score the 5" x 3-1/2" cardstock piece at 2-1/2" and fold. Layer this onto the 2-3/4" x 3-3/4" cardstock piece then adhere on the center of the card making sure that the flaps face each other so it flips open in opposite directions.
3. Adhere the 2-1/4" x 3-1/4" Basic White insert on the inside of the smaller flap card and the 2-1/4" x 3-1/4" DSP piece on the front.
4. Add your sentiment and accent pieces and finish off with embellishments.
