

Project Sheet: One Fun Fold Layout/Lots of Cards

Let's make a stack of easy cards that have a big impact! Sometimes all it takes is a simple fold and your favorite Designer Series Paper to create cards that look like they took much more time than they actually did. This layout is one of those "go-to" folds that you'll find yourself using over and over again.

Supplies:

Card Base :: 4-1/4" x 5-1/2"

DSP :: 4" x 5-1/2", 4" x 5-1/4"

Coordinating Cardstock :: 3" x 4-1/4"

Basic White insert :: 2-1/2" x 3-3/4"

Instructions:

1. Fold the 4" x 5-1/2" DSP piece in half and layer it onto the 3" x 4-1/4" piece of coordinating cardstock.
2. Layer it first on the 4" x 5-1/4" DSP piece then adhere on the 4-1/4" x 5-1/2" card base.
3. Adhere the 2-1/2" x 3-3/4" Basic White insert.
4. Add your sentiment and accent piece.
