

Project Sheet: One Sheet Wonder Fun from the Catalog

Do you ever look at a beautiful sheet of Designer Series Paper and think, *"It's too pretty to cut!"*? Well, this One Sheet Wonder is here to change that! With just one 12" x 12" piece of paper, you can create a whole set of coordinating cards that are quick, fun, and oh-so-satisfying to make.

One Sheet Wonder technique is perfect for mass-producing cards without feeling repetitive—you'll love how each design comes together quickly and still looks unique.

This One Sheet Wonder pattern is found on Page 42 of the Sept-Dec 2025 Mini Catalog.
