

Project Sheet: Triple Accent Cards

They say good things come in threes — and cardmaking is no exception! This layout is built around three coordinating pieces. Whether you choose patterned paper, die cuts, or stamped images, this design gives you endless possibilities to mix and match while keeping your cards beautifully balanced.

Supplies:

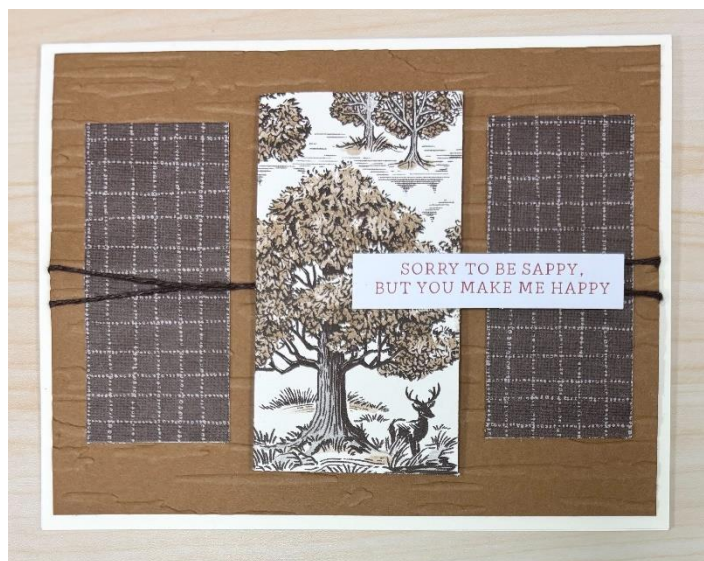

Card Base :: 5-1/2" x 8-1/2"

Coordinating Cardstock :: 4" x 5-1/4"

DSP :: 1-1/4" x 2-3/4" (X2)

DSP :: 1-3/4" x 3-1/4"

**Alternatively, you can use 3 similar die cut pieces instead of the 3 DSP pieces.*

Instructions:

1. Score the card base in half and fold.
2. Run the 4" x 5-1/4" cardstock piece through an embossing folder and adhere on the card front.
3. Adhere the DSP/die cut pieces on the card front (add some layering by using dimensionals on some of the pieces).
4. Add your sentiment piece.
