

Project Sheet: Barn Door Fold

This barn door card layout is such a fun one to make! The front panel opens up just like a barn door to reveal the inside of your card, adding a sweet interactive element.

Supplies:

Card Base :: 4-1/4" x 11"

Cardstock :: 4" x 5-1/4"

DSP :: 2-1/2" x 5-1/4"

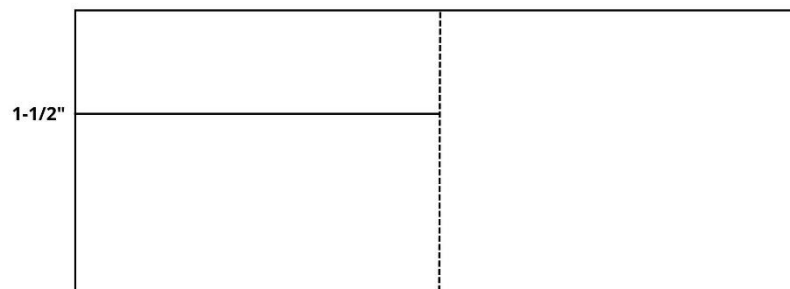

Circle Punch (optional)

Accent/sentiment piece

Instructions:

1. Score the 4-1/4" x 11" card base at 5-1/2" and fold. Measure 1-1/2" from the top edge of the card front and cut up until the score line as shown.

2. Adhere the 4" x 5-1/4" cardstock piece on the inside of the card.
3. Adhere the 2-1/2" x 5-1/4" DSP piece on the bottom half panel of the card front.
4. Use a circle punch to cut out half a circle from the card front.
5. Add your sentiment and accent pieces.
